For more than 118 years Volunteers of America Southwest has stepped forward to help the community's most vulnerable individuals through our direct service programs and by providing skills to improve their quality of life. Each year Volunteers of America Southwest serves over 13,000 individuals, children, and families in San Diego County, Imperial County, and Southern California's Inland Empire.

On September 14th, 2015 Volunteers of America Southwest is hosting its 16th Annual Golf Classic at the beautiful Country Club of Rancho Bernardo. - Housing and case management services, to assist homeless veterans with disabilities achieve self-reliance, confidence, and independence

As a donor, Your Company will receive the following benefits:

- Recognition on the item description cards during auction
